

King Henry VIII School, Abergavenny

Sixth Form Application Form for External Applicants 2018/19

Guidance notes

Introduction

If you intend to make an application to study in the sixth form next year at KHS, please read the information on this page then return the form on the page opposite.

Level 3 Options Pathways

Students will follow a two year level 3 Pathway in which they study three or four level 3 vocational courses or A-levels. We would suggest three subjects for students with mainly C and B grades at GSCE (or equivalent), and four for those with mainly A and A* grades.

You will choose the individual components of this course from the option blocks on the application form. All students will also take the Welsh Baccaulaureate (WBQ) at Advanced level. The work done for the WBQ will lead to an additional level 3 qualification, the Skills Challenge Certificate, equivalent to a full A-level.

Please indicate on the form opposite your choice of 3 or 4 options

Please read the detailed descriptions of each subject before making your choice and make sure that you are likely to meet the entrance requirements for each subject. If you are in any doubt, then talk to us about what you are thinking of doing.

Maths and English GCSE

We are strongly advising that all students following a level 3 pathway have a C-grade as a minimum in English and Maths. Individual cases of students without one or the other will be considered, subject to interviews with a senior member of staff, and identification of a pathway on which they are likely to be able to achieve success. Re-sit opportunities in Maths and English GCSE will be available for such students.

Collaborative Subjects

Welsh and Philosophy and Ethics are taught at Monmouth High School. We will arrange for free transportation of students from KHS to Monmouth, but students may not get back from Monmouth until after the normal end to the school day on occasions when they have afternoon lessons.

Previous school, medical conditions and additional learning needs

You must provide us with details of your present/previous school and include any medical conditions, additional learning needs or whether you were in receipt of any examination concessions. Failure to disclose such details may jeopardise your future enrolment at King Henry VIII School.
