July 2018

Dear Parent,

Last Thursday evening we were delighted to welcome 30 parents to our first parental consultation evening. Their feedback was really useful and we have included a number of new actions in our draft school development plan for next year. These include:

- ✓ use of student planners and homework
- ✓ providing additional support and training for cover supervisors and cover teachers to ensure continuity of learning
- ✓ further improving all aspects of reporting to parents including more regular feedback on your child's learning.

Our intention is to hold a second parental engagement event in the autumn term with a focus on improving the link between home and the subject teacher. This will include a discussion of how we can improve home/school/teacher contact, interim reports, parents' evening appointments and full written reports.

We shall publish the date in September and look forward to seeing as many of you as possible at the next event.

Yours sincerely

Mrs E Lewis
Headteacher
