Notification button
– if **RED** this means you have **unread** feedback from your teacher.

Skill performance summary

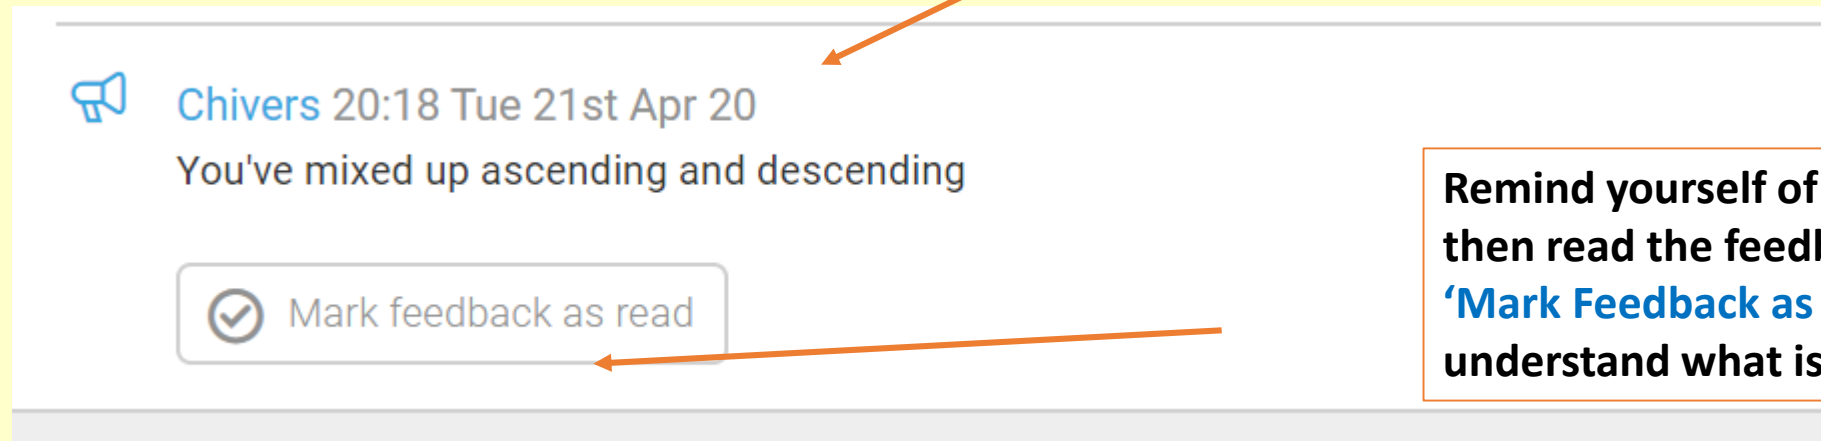

100% 70-99% 0-69% Not done

Click on the notification button & it will show you how many pieces of feedback you need to read.

2 pieces

Select one piece of feedback at a time. It will take you back to your original submitted quiz.

Remind yourself of the question , then read the feedback. Select the 'Mark Feedback as read ' if you understand what is said.

If the feedback doesn't help and you still don't understand the question then submit a comment to your teacher

 This still doesn't make sense to me

Check your answers make sense

 Mark feedback as read

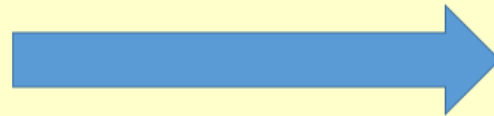

- Please get into the **routine of checking your feedback regularly**. This is an important part of the process and it takes the place of what your teacher would tell you in class. ***The aim of feedback is to help improve your understanding !***

- It's a good idea to make a note of the feedback too.

- Let's go from
