

# Meet the Form Tutors

Hi! I'm Miss Rowberry and I will be the Form Tutor for 7O. I am looking forward to meeting you and having you in my form. You are going to have a lot of fun and learn so many exciting new things. This will be my fourth year teaching Physical Education at King Henry VIII. Before that, I taught for five years in the Middle East in a private school. I love teaching, it is a passion of mine and I am so excited to work with you. My subject is Physical Education and I always try to teach with a passion for my subject so that my students develop a desire to become life-long learners. A highlight of mine whilst I have been at King Henry was the Netball tour to Dubai, United Arab Emirates (UAE). From the time I joined KHS, the teachers, students, and community members have been welcoming, friendly and extremely supportive, which I am extremely grateful for, and I'm certain your experience will be similar.

Hello I'm Mrs Brasington and I will be the Form Tutor for 7P. Lots of you will have met me already when you came to KHS for Transition in Year 5. From that, you can guess that I am the Food teacher. I love my job because I love cooking and I love children (not cooking children!) I have worked at KHS for a very long time – 16 years! I have stayed at KHS for so long because I love the school, its students and staff. It's a friendly place and I'm sure you will settle in quickly. Some of you will be coming with friends from primary school, but it will be an exciting opportunity for all of you to make brand new friends and do lots of new things in lessons. Year 7 is a very exciting year, but I know some of you might be a little bit nervous. Remember that it's all new to everybody – things might seem a bit strange at first and the place will seem big – but within a week or two you will be feeling at home and finding your way around. Remember, that if you are worried about anything or have any questions, just ask – we will see each other every morning at the start of school – my job as a form tutor is to help you. I look forward to meeting you soon.

I'm Mr Mullings and I am the Form Tutor for 7Q. I have been lucky to teach Drama at KHS since 2019, so I'm relatively new to the school - like you! I'm a huge fan of the arts and enjoy going to the theatre whenever I can, watching films and TV. KHS is a wonderful school, full of supportive staff and fantastic students. I hope to be a friendly face for you during your transition and will be always available to answer questions, or for a chat. My best advice for you is to always be yourself and never underestimate the power of a smile. Secondary school is a great opportunity to make new friends and explore new subjects! Very much looking forward to meeting you in September.

I'm Mr. Newman and I am the Form Tutor for 7R. I am Head of Boys Physical Education and have been teaching at King Henry for the last three years. I enjoy teaching and playing all sports but my biggest passion is rugby. I really like teaching because I get to develop and enhance students' knowledge and understanding in both practical and classroom based lessons. A top tip for any Year 7 pupil is to just BE YOURSELF. I would also encourage you to join a club; our extracurricular programme across all subjects is jam packed throughout the week. There is something for everyone. If you want to try something new just speak to the teacher in charge and GIVE IT A GO! Thirdly, be organised. Make sure you pack your bag the night before and check all the different things you need. And finally, if you are ever unsure JUST ASK. There are so many fantastic staff and pupils in this school that will help if you ever need it.

I'm Mr. Hunt, and I am the Form Tutor for 7S. I have been at King Henry for five years, and I am Head of Music and Performing Arts. I love teaching at King Henry, as it is a really friendly school; the staff always make sure that the wellbeing and progress of learners is the top priority. Outside of school I am really involved in music, and I am Musical Director of a theatre company, and also conduct a Male Voice Choir. It's really important that in Year 7 you get involved in as much as possible; you may like to join the choir, take part in sporting activities or participate in a wide range of other extra-curricular activities. My job as your form tutor is to make sure you settle in as quickly as possible, and we will all be here for you to make sure your transition is as smooth as possible. I really am looking forward to meeting you.

I'm Mr Jenkins and I am the Form Tutor for 7T. This will be my second academic year at KHS, but I have been teaching for far longer than that! I have the honour of being Head of RE at KHS. Even though I haven't been at KHS long, I can tell you that it is an amazingly supporting school and the term 'family' can best describe our school community. My daughter is currently in Year 6 so in the new academic year I will be in the unique position of having a child starting Year 7, while also being a tutor to you as you begin your new journey into high school. As your tutor, I will be your champion, expecting the very best from you, but also making sure that I can support you academically and in your wellbeing. Also, having played sports for many years, I am competitive so together we will make sure we are the best tutor group in the school!
