16 September 2021

Dear Parent/guardian,

As a school, we wish to keep parents/guardians and students updated with regards to the latest GCSE examination information. We are holding an information evening where we will outline the support your child will have as they progress to their examinations. This evening will be held on **Thursday 23 September** and is an excellent opportunity to find out key coursework deadlines and online resources that are available for your child. The evening will be held virtually and will take the following format:

- ✓ Monday 20 September from 3pm onwards, parents/guardians and students will be able to access information on GCSE courses and adaptations moving into the summer series 2022;
- ✓ Thursday 23 September at 6pm there will be a virtual meeting for a question and answer session with key staff via Microsoft Teams

If you would like to participate in the question and answer session please use the following link to access our meeting at 6pm on Thursday 23 September <https://bit.ly/3Cf2gda>.

Finally, can we take this opportunity to thank you for your continued support. We all want the best for our students and your engagement in their learning makes a huge difference. We look forward to seeing you on Thursday 23 September, albeit virtually.

Yours sincerely
